

Now in its 13th year, our Music & More Summer Arts Program offers children from ages 3-7 a wide range of music, dance and art activities in a lively, creative environment.

Children are divided into small core groups with other children their own age. Teaching assistants take each group through the morning's activities. In addition, the children have opportunities to interact with all of the talented faculty and other children at Music & More.

The Lincoln School playground is used for outdoor adventures in-between classes and during Stay & Play.
